

Individual Design Coupons

These coupons allow the consumer the most flexibility in acquiring the embroidery designs they want to sew, when they want to sew them at the most cost effective prices available.

Individual Design Coupon Collections

Collections of Individual Design Coupons are available from \$5.00 to \$1.69 / Design

Each collection of “Design Coupons” is delivered to the consumer’s account on the Stitchitize website by way of a unique one-time-use Voucher Code. The Code is entered into the Voucher area on the right-hand side of the website and will award the appropriate number of Individual Design Coupons to the consumer’s account.

To use a design coupon, select a design you want to sew and add it to your shopping cart. **Only one coupon can be added to a shopping cart at a time.** Then View your cart.

This button is located immediately under the shopping cart in the left-hand menu. The cart should be \$10.00 for 1 design.

 Current Items in your shopping cart:						
Image	Name	Quantity	Regular Price(USD)	Sale Price(USD)	Total(USD)	Remove
	Spring Season Quilting (without border)	1	\$10.00		\$10.00	
				Subtotal:	\$10.00	
				Total (USD):	\$10.00

A Collection of Individual Design Coupons

At this point the consumer could remove the design or the coupon by clicking the X under Remove or Remove Coupon.

The consumer now continues to “Approve Your Cart” and finally “Confirm Order”. This will take you to the “Thank You” page with a link to “Download” center, where the design will be available 24/7 in most embroidery formats.

Thank You!

Stitchitize appreciates your order!

This order includes **downloadable embroidery designs**.

Download Information:

The designs have been placed in your download center and are available in several embroidery formats. The designs will remain there and you can login and download them at any time. To find your download center use the  **Download** link just under the Stitchitize logo found at the top left of the web site.

Please use this link to download your designs now:
