

Download Center Overview

The screenshot shows the 'My Designs' Download Center interface. At the top, there is a 'Download Center' header with a downward arrow icon. Below this is a note: '*Note: All designs will always be available in your Download Center. They can be downloaded as often as you like and in any format!'. A search bar is present with the text 'Find Designs In Your Download Center' and a 'GO' button. Below the search bar, it says 'Currently Showing ALL Downloads' and 'Showing Page 1 (1-30 of 77 results) - Go to: 1'. A sorting instruction '(Sort your designs by name, stock number and date)' is also visible. The main content is a table with columns: Image, Name, Stock Number, Date, File Delivery, and Evaluate. Two design entries are shown: 'Baby Bunny' (KI133, 2004-12-06) and 'Bee & Blossoms' (SD005, 2004-12-06). Each entry has a file type dropdown menu, a 'download' link, an 'email' link, and an 'Evaluate' checkbox.
